

March Workshop

Penni Domikis of Cabin in the Woods

Scrap Petal Garden

March 11, 9:30 – 3:30

\$30 members / \$45 non-members

Penni, designer of the All Scrapped Out pattern series, will be teaching her Scrap Petal Garden pattern. This is a raw edge applique using a petal template. She will modify the pattern to be table runner / table topper size but members can make it larger if desired. NOTE: Members will need to buy the pattern (\$10) and nested petal template (\$12) if they do not already own these.
